OK. Tell Preet to do some homework on Hari Kondabolu. Seems pretty amusing.

Can they tell us the value of the plaque? Sounds more than just your acrylic yadda-yadda

a) The item to be awarded is a plaque. We try to have the plaque be embedded in a framed art piece provided by a local artist.

b) The standards by which we select honorees is to select South Asian individuals who have made a difference in our community in the field of public service, the arts, academia, or culture. Honorees who are inspiring and leaders in our community in any one of these fields and has served our community in a positive way.

c) This year, we are also honoring Queens native and famed comedian, Hari Kondabolu for his contribution to the arts.

Could you please get Chhaya to give us info on the following?

1. If the U.S. Attorney is being honored:
 - a. Please provide a description and the value of any award item (if the award item is a plaque, certificate or trophy of little intrinsic value, you may so indicate).
 - b. Please describe the standards by which honorees or recipients of the award are selected by your organization.
 - c. Who else is expected to be honored at the event?

Also I have attached a revised questionnaire, which includes among other tweaks, the above Q.

Thanks.
